

## CAIRNS AUTOSPECTACULAR 2010

I am hoping to keep you informed of items of interest, both past and future events via a regular email to you all. If you choose not to be included in this mailing list and you do not want to receive emails from me, please let me know and I will respect your wishes and remove you from this list.

### **Cairns Autospectacular.**

Our club put on a modest display of 4 cars at this years Autospectacular. they comprised of Geoff's Mustang, Kel's Cobra, Bob's Corvette and my Trans Am.

### **AACCC Display**

I was fortunate to win Best GM, and congratulations to Geoff, for winning an Encouragement Award for his nicely turned out Mustang.

Thanks to those concerned for participating and setting up the display. Attendances through the gate appeared to be to be down on previous years that I have been there, which is a bit of a shame as I believe that this could have the potential to be Far North Queensland's premier motor show.

There were some very nice cars on display, including this Ford Falcon GTHO pictured below.

And..... Bob' stunning Corvette. This is one of the best Corvettes I have seen, the dark blue colour looks great with all that chrome.

This years Christmas party will be held at the Paradise Palms Country Club on Sunday 21<sup>st</sup> November.

The club will pay a nominal fee to reserve an area just for our club. We have been told that we can park our cars on the grass adjacent to where we will be “partying”. All catering will be provided by Paradise Palms by the way of a BBQ lunch and salads etc. Cost will be \$25 per person. We need a minimum of 30 to keep costs to \$25.

The area is also undercover, so rain, hail or shine, the event will go ahead.
