

Christmas Party 2011

There was a pretty good roll up of members for our Christmas Party this year. The numbers of cars and members were up on last year's, which is always a good thing.

The venue appeared appropriate with the staff being very friendly.

As usual, great cars were “on show” for some of the locals to have a look at. There were no shortage of questions from them too.

The food was plentiful, with a roast lunch followed by pavlova for desert.

Some thought the desert was just awesome!!

After lunch, Santa appeared out of nowhere, and the gifts began to be distributed.

Of course, Santa made sure all the boys and girls got a gift or two.

There was even time for a bit of “techo” show and tell.

The band sounded great, playing lots of old classics. The club is renowned for its “jam” sessions, and so a couple of members were invited to jam along too.

Chris McIlvrie on guitar

Bob Cane on acoustic guitar and lead vocals....yes that right, lead vocals.

So all in all, I think it was an enjoyable way to spend a Sunday afternoon and I hope that everyone who attended thought the same.
