

COFFEE & CAKE NIGHT

The run to Dale and Lou Solina's on Friday night was a great success. At one stage I counted 18 members there. It was fun poking through Dale's shed and spray booth and also checking out a fantastic way to get to the mezzanine level in his shed. If you weren't there and want to know how he does it, I guess you will have to ask him.

Thanks for putting on a great spread of coffee and treats, they were yum.

Even the rain didn't cause a problem as they have a great undercover area for Entertaining guests.

Nice cabinet too, a great place for the "Gleam Machine" trophy.

All in all, an enjoyable evening, and once again, thank you.
