

Mt Uncle Distillery – 20th March 2011

Finally....a weekend without rain.

Conditions were almost ideal for a cruise up the range, although a little humid.

The group departed Bunnings carpark on time and we began our cruise to Mt Uncle Distillery.

Some of us got stuck behind a horse float going up the Kuranda Range which would have tested the water temperature on some cars. Once on top of the range, it was easy cruising.

There was a good turn up for this event. 34 adults and 3 children travelling in 12 classic cars.

Lunch was very tasty once again, and the conversations were flowing along nicely with plenty of laughter heard in the background.

As usual to our runs, some very nicely turned out cars made their appearance.

At Mt Uncle Distillery, the kids even get a chance to look at the animals, (including the ones outside)

After lunch, most of us dropped in on Dave & Michelle Pell, as they were having a garage sale and there were some bargains to be had.

I have two reminders.

1. Our Monthly meeting for March is on the 3rd April 2011 (and **NOT** on 27th March) and after that meeting, we will do a run to Frogs Café, Kuranda for coffee, lunch etc.
2. The electronic version of our April Newsletter has now been posted on our website.
