Objects of the Club

*To promote ownership and appreciation of American motor vehicles.
To promote and provide owners and admirers with car shows, car rally's and social events.*

Note: Members are required to attend 3 meetings/events before eligible for Special Vehicle Registration and must repeat yearly to continue to qualify.

Hi Members

Things seem to be ticking over pretty well on the club scene and it is good to see the club attracting new members and existing members getting into some new vehicles. Congratulations to relatively new member Paul Bury who has finally got the Dodge Charger he was after and had it at the last Cars & Coffee. Also, Taylor and Daniel have purchased a 64 Chevelle Malibu which I am looking forward to seeing.

The members that attended the Hub Rally at Atherton over Easter had a good time although the weather was pretty dodgy and Lance and Lorraine had to complete the events in their modern vehicle. The group won the best dressed award for the Saturday night function, Coral was best dressed at the Sunday night function and the bowls team of myself, John Partington, Mike Bowman and Lorraine won the bowls day award. Also, Barry had his best hand ever in a poker run of three aces but was very disappointed as unfortunately there was no big cash prize.

Welcome to town to Doc Hilber who was at our last meeting and was at Cars & Coffee this month in his Corvette.

Safe cruising and see you at the meeting on April 25th.

Event Co-ordinators Report: Lunch @ Souths @ Cairns Southside following today's meeting. Full details on all planned events can be found later in Newsletter, as well as on the Club's website and on Facebook.

Acceptance of Reports: **Mover:** Rob Healey
Seconder: Bruce Morrison

General Business: 1. Paddy Power Run – Ann thanked the members for the large turnout for what proved to be a good day. 2. Potential new member Doc asked how many members were there – James advised that Newsletters go out to 61 email addresses and 23 postal addresses – so 84 members. 3. Doc also asked about events and meetings and was advised to look at the Club's website and Newsletter. 4. Cost of membership to join is \$80.00 for year one (includes Club T Shirt) with subsequent years cost being \$45.00. 5. Paul Barry rang Bruce to advise his green 1968 Charger arrived last Thursday from Sydney. 6. Eddie has a new toy – a 1942 6 x 6 Army truck. 7. COVID-19 protocols and events: these are difficult to manage due to the need to limit numbers (e.g. HUB Rally and Swap Meet). There are two major events being held in June, both to be managed by the Cairns Regional Council - the Swap Meet Committee is keen to see how this works out, as they will serve as a guide.

Lotto – see Paula.

T-Shirts & Caps: See John

Raffle: Easter Eggs and chocolates. Won by Jo

Next Meeting: 25 April 2021

Meeting Closed: 10:45am

Giggling Gertie's Gut Busters!

This little old lady goes to the doctor and says, "Doctor I have this problem with passing gas, but it really doesn't bother me too much. It never smells and it's always silent.

As a matter of fact, I've passed gas at least 20 times since I've been here in your office.

You didn't know I was passing gas because it doesn't smell and it's silent.
The doctor says "I see. Take these pills and come back to see me next week."
The next week the lady goes back.

"Doctor," she says, "I don't know what you gave me, but now my passing gas...
although still silent, it stinks terribly."

"Good", the doctor said, "now that we've cleared up your sinuses, we'll start to work on your hearing.

An old man, Mr. Wallace, was living in a nursing home.
One day he appeared to be very sad and depressed.
Nurse Tracy asked him if there was anything wrong.

'Yes, Nurse Tracy,' said Mr Wallace.
'My Private Part died today, and I am very sad.'

Knowing her patients were a little forgetful and sometimes a little crazy, she replied, 'Oh, I'm so sorry, Mr. Wallace. Please accept my condolences.'

The following day, Mr. Wallace was walking down the hall with his Private Part hanging out of his pyjamas.

He met Nurse Tracy. 'Mr. Wallace, 'she said, 'You shouldn't be walking down the hall like that. Please put your Private Part back inside your pyjamas.'

'But, Nurse Tracy I can't, 'replied Mr. Wallace. 'I told you yesterday that my Private Part died.'

'Yes,' said Nurse Tracy, 'you did tell me that, but why is it hanging out of your pyjamas?'

(You've gotta love this.)

'Well,' he replied, 'Today is the viewing.'

A lady goes to her priest one day and tells him,

'Father, I have a problem. I have two female parrots,

But they only know to say one thing.'

'What do they say?' the priest asked.

They say, 'Hi, we're hookers! Do you want to have some fun?'

'That's obscene!' the priest exclaimed,

Then he thought for a moment.....'You know,' he said, 'I may have a solution to your problem.

I have two male talking parrots, which I have taught to pray and read the Bible...

Bring your two parrots over to my house, and we'll put them in the cage with Francis and Peter.

My parrots can teach your parrots to pray and worship,

And your parrots are sure to stop saying that phrase in no time.'

'Thank you,' the woman responded, 'this may very well be the solution.'

The next day, she brought her female parrots to the priest's house....

As he ushered her in, she saw that his two male parrots

were inside their cage holding rosary beads and praying...

Impressed, she walked over and placed her parrots in with them...

After a few minutes, the female parrots cried out in unison:

Hi, we're hookers! Do you want to have some fun?'

There was stunned silence...

Shocked, one male parrot looked over at

the other male parrot and says...

'Put the beads away, Frank, our prayers have been answered!!!
