Objects of the Club

To promote ownership and appreciation of American motor vehicles.

To promote and provide owners and admirers with car shows, car rallies and social events.

Note: Members are required to attend 3 meetings/events before eligible for Special Vehicle Registration and must repeat yearly to continue to qualify.

Hi Members

Thanks to all the members who attended the Paddy Power Memorial Poker Run on the 26th March. It was successful and well attended by our members and members of other clubs and other individuals. Bob had booked for 80 at the Tolga Hotel and we used all the room. We have received thanks from TOTS, the Sunday Cruisers and Fat b's whose members enjoyed the day. Thanks to all involved in organising the event.

There are plenty of events coming up over the next few months to keep you busy if you wish. Our next event will be the DFO Car Show on Mother's Day Sunday 14th May. We will need all the usual help on the day to run this event. The Charters Towers Swap and Show is on 9th -11th June which some members are attending. On the 17th of June is the Atherton Swap and Car Show at the High School. The Kurrimine Beach Hop is on the weekend of 14th-16th July.

There are always new cars in town and these are a couple I have seen in the last 2 weeks. The 57 Buick is a picture and the 65 Caddie is a beast powered by a 454 chev.

Had to laugh the other day when the Cairns Post had a court report on a 'recidivist revhead' who exhibited 'classic Commodore behaviour' for doing burnouts in a carpark. There are a quite a few Commodore drivers in the club but I am yet see any of this 'classic' behaviour.

See you all at our next meeting on Sunday 30th April. Bruce.

ANZAC DAY

LEST WE FORGET

*They shall grow not old, as we that are
left grow old; Age shall not weary
them, nor the years condemn. At the
going down of the sun and in the
morning, we will remember them*

Oh! you who sleep in Flanders Fields,
Sleep sweet - to rise anew!
We caught the torch you threw
And holding high, we keep the Faith
With All who died.

We cherish, too, the Poppy red
That grows on fields where valor led;
It seems to signal to the skies
That blood of heroes never dies,
But lends a lustre to the red
Of the flower that blooms above the dead
In Flanders Fields.

And now the Torch and Poppy Red
We wear in honor of our dead.
Fear not that ye have died for naught;
We'll teach the lesson that ye wrought
In Flanders Fields.

Giggling Gerties Jokes

50 Shades of Golf

Four guys have been going to the same golfing trip to St Andrews for many years..

Two days before the group is to leave, Jack's wife puts her foot down and tells him he isn't going.

Jack's mates are very upset that he can't go, but what can they do.

Two days later, the three get to St Andrews only to find Jack sitting at the bar with four drinks set up!

"Wow, Jack, how long you been here, and how did you talk your misses into letting you go?"

"Well, I've been here since last night..

Yesterday evening, I was sitting in my living room chair and my wife came up behind me and put her hands over my eyes and asked, 'Guess who?' I pulled her hands off, and there she was, wearing a nightie.

She took my hand and pulled me into our bedroom. The room had candles and rose petals all over. Well, she's been reading '50 Shades of Grey'

On the bed she had handcuffs, and ropes! She told me to tie her up and cuff her to the bed, so I did.

And then she said, "Do whatever you want."

So--- Here I am!

A man and a woman were married for many years.

Whenever there was a confrontation, yelling could be heard deep into the night.

The old man would shout, " When I die, I will dig my way up and out of the grave,

and come back and haunt you for the rest of your life."

Neighbours feared him. The old man liked the fact that he was feared.

Then one evening, he died when he was 98.

After the burial, her neighbours, concerned for her safety, asked,

"Aren't you afraid that he may indeed be able to dig his way out of the grave

and haunt you for the rest of your life?"

The wife said, "Let him dig. I had him buried upside down.....and I know he won't ask for directions."

THE GREEK LEGAL SYSTEM!!

A man and his wife were getting a divorce at a local court in Greece; but the custody of their children posed a problem.

The mother jumped to her feet and protested to the judge that since she had brought the children into this world, she should retain custody of them.

The man also wanted custody of his children, so the judge asked for his side of the story.

After a long moment of silence, the man rose from his chair and replied:

"Your Honour, when I put a coin into a vending machine, and a Coke comes out, does the Coke belong to me or to the machine?"

DON'T LAUGH..... HE WON!!

Remember, next time you hate your life, it's all about perspective.

I have a friend who reads 2-3 books a week, works out twice a day, and has people who want to have sex with him all the time, yet complains about how much he hates prison.

The Luck Of The Irish an apology from the Belfast General Hospital.....

Dear Mr Murphy, we are pleased to inform you that the biopsy of the redness on your Penis showed it was not cancerous. It was actually lipstick. We deeply regret the amputation.
