Objects of the Club

*To promote ownership and appreciation of American motor vehicles.
To promote and provide owners and admirers with car shows, car rallies and social events.*

Note: Members are required to attend 3 meetings/events before eligible for Special Vehicle Registration and must repeat yearly to continue to qualify.

Hi Members

It was unfortunate that bad weather led to the cancellation of the July 3rd cruise to Garradunga and we did consider a meeting on July 4th as usual but did not proceed as it was a wet day and night.

Our big event since last meeting was the show at DFO on July 10th organised by Bob and assisted by Mike and other club members. It was a really well attended event with approx. 120 to 130 cars in attendance. It was also good to see a big turnout of club members. The DFO are keen to make these events regular and it may be time to formalise the organisation of the events and maybe a subcommittee will be required. The size of the event was bigger than expected and DFO have requested our assistance with personnel to assist with traffic marshalling in the future.

There are still some events coming up to attend if you wish. There is the Innot Hot Springs Car Show this coming Saturday 30th July, the Kurrimine Beach Hop will happen from 9th September to 11th September at the Kurrimine Holiday Park.

The Cairns Show Society are running an Auto Spectacular again this year on 15th and 16th of October.

The Swap Meet is on 14th August and we will be looking for members to assist with set up from 2pm on Saturday 13th and with marshalling from 6am and with judging from 9am.

Safe cruising and see you at the meeting on Sunday 31st July. Bruce

General Business:

Impromptu car show at Bunnings Smithfield – latest advice is that we can turn up any Saturday or Sunday between 10:00am and 1:00pm – it was suggested that the Club attend following the meeting of 28 August, as there are several lunch options nearby.

John Partington is home from hospital but will soon be undergoing chemotherapy.

Swap Meet on 14 August – Caitlin & Amanda will handle registrations; Tony & Dave have volunteered to assist with marshalling (more volunteers required); Mike & Kel will do the judging, but at least 8 people needed given the number of cars that enter; As part of the Swap Meet insurance process, we need to complete a Risk Assessment which includes nominating personnel with First Aid qualifications – we may need to employ a suitably qualified person for the day.

The meeting endorsed through a show of hands to adopt the Cairns Regional Council proposal to charge \$20.64/hour ex GST for hire of the Yorkeys Knob Community Hall (actual costs should be approximately the same as current rental of \$300.00 p.a.).

It is good to see Tony has turned up in his Model A,

Phil's Tee shirt has been ordered and will be here shortly.

Steve MacKinnon suggested that the club look into having a Club “Bomber Jacket” with Club logo – something lightweight. Steve and Amanda to investigate.

Next Meeting: 31 July 2022

T-Shirts & Caps: See John/Committee member

Raffle: Nil due to TOTS running the raffle as part of the Combined Club's Sports day

10TH OF JULY CAR & BIKE SHOW Thank you to Bob Aller

Giggling Gerties Jokes

MY WIFE HAS DAYS WHEN she wants us to 'talk about things'.

We were discussing aspects of our future so when it was my turn I asked her,

"What will you do if I die before you do?"

After some thought, she said that she'd probably look for a house-sharing situation with three other single or

widowed women who might be a little younger than herself, since she is so active for her age.

Then she asked me, "What will you do if I die first?"

I replied, "Probably the same thing.

Lovemaking Tips For Seniors

1. Wear your glasses to make sure your partner is actually in the bed.
2. Set timer for 3 minutes, in case you doze off in the middle.
3. Set the mood with lighting.(Turn them ALL OFF!)
4. Make sure you put 000 on your speed dial before you begin.
5. Write partner's name on your hand in case you can't remember.
6. Use extra polygrip so your teeth don't end up under the bed.
7. Have Tylenol ready in case you actually complete the act.
8. Make all the noise you want. The neighbors are deaf, too.
9. If it works, call everyone you know with the good news!!
10. Don't even think about trying it twice.

Dumb Dog: A butcher is shooin' a dog from his shop when he sees a \$20 and a note in his mouth reading "6 lamb chops please".

Amazed, he takes the money, puts a bag of chops in the dog's mouth, and quickly closes the shop. He follows the dog and watches him wait for a green light, look both ways, then trot across the road to a bus stop. The dog checks the timetable and sits on the seat.

When a bus arrives, he checks the number on the front, then boards the bus.

The butcher follows, dumbstruck. As the bus travels out into the suburbs, the dog takes in the scenery. After a while, he stands on his back paws to push the "stop" bell, and then the butcher follows him off. The dog runs up to a house and drops his bag on the step. He barks repeatedly. No answer.

He goes back down the path, takes a big run, and throws himself against the door. He does this again and again. No answer.

So he jumps on a wall, walks around the garden, barks repeatedly at a window, jumps off, and waits at the front door. Eventually, a small guy opens it and starts cursing and shouting at the dog. The butcher runs up and screams at the guy: "What the hell are you doing? This dog's a genius!"

The owner responds, "Genius, my @rse. This is the second time this week he's forgotten his key!!!"
