Objects of the Club

*To promote ownership and appreciation of American motor vehicles.
To promote and provide owners and admirers with car shows, car rally's and social events.*

Note: Members are required to attend 3 meetings/events before eligible for Special Vehicle Registration and must repeat yearly to continue to qualify.

Hi Members.

Thanks to all the members that attended the last meeting and AGM, I was surprised at the big turnout. Good to know that you are all happy with the way the club is going which was evident as there was no change in any of the committee positions. The present committee is happy to continue but there will come a time when we need a change and we will need new members to step up. Thanks to the committee members who provided an excellent BBQ lunch.

The inter club go-kart day was successful with Wim from the Northern Motoring Club winning the fastest individual and their club winning the overall club trophy. The organisers did a fine job and had great trophies on the day. It is now an annual event with a perpetual trophy for the best club performance.

There were only a handful of members at the Mossman Motoring Expo but it was a good show and the rain held off. There were over 100 entries which included motorcycles, tractors and stationary engines. The organisers have excellent entrants' goodies bags and great trophies and prizes for winners.

There are not too many events left this year but following next meeting we have a lunch run to Yankee D's at 312 Mulgrave Rd. The Fat B's have their next Poker Run on Saturday 17th November leaving from shed 41/193 Hartley St at 12-30pm.

If you have not paid your membership for the next year please do it ASAP.

Safe cruising and see you at the meeting on 28th October.

Bruce

Giggling Gertie's Gut Busters!

One evening, after the honeymoon, Tom was working on his Harley motorcycle in the garage. His new wife was standing there by the bench watching him.

After a long period of silence she finally said: "Honey, I've just been thinking, now that we're married, maybe it's time you quit spending so much of your time out here in your garage. You probably should consider selling your Harley and all that welding equipment; they take up so much of your time. And that gun collection and fishing gear, they just take up so much space. And you know the boat is such an ongoing expense; and you hardly use it. I also think you should lose all those stupid model airplanes and your home brewing equipment. And what's the use of that vintage hot rod sports car?"

Tom got a horrified look on his face.

She noticed and said, "Darling, what's wrong?"

He replied, "Just for a minute there, you were starting to sound like my ex-wife."

"Ex-wife!?" she shouted, "YOU NEVER TOLD ME YOU WERE MARRIED BEFORE!"

Tom replied, "I wasn't."

DAD JOKES (apologies to the Irish!)

Murphy says to Paddy, "What ya talkin into an envelope for?" "I'm sending a voicemail ya fool!"

19 Paddies go to the cinema, the ticket lady asks "Why so many of you?" Mick replies, "The film said 18 or over."

I went to the cemetery yesterday to lay some flowers on a grave. As I was standing there I noticed 4 grave diggers walking about with a coffin. 3 hours later and they're still walking about with it. I thought to myself, they've lost the plot!!

My daughter asked me for a pet spider for her birthday, so I went to our Local pet shop and they were \$70!!! Blow this, I thought, I can get one cheaper off the web.

My neighbour knocked on my door at 2:30am this morning. Can you believe that? 2:30 am?! Luckily for him, I was still up playing my Bagpipes.

The husband has been missing a week now. Police said to prepare for the worst. So I have been to the charity shop to get all his clothes back.

Sat opposite an Indian lady on the train today. She shut her eyes and stopped breathing. I thought she was dead, until I saw the red spot on her forehead and realised she was just on standby.

Local Police hunting the 'knitting needle nutter', who has stabbed six people in the rear in the last 48 hours, believe the attacker could be ^[11]_[SEP]Following some kind of pattern.
