Objects of the Club

*To promote ownership and appreciation of American motor vehicles.
To promote and provide owners and admirers with car shows, car rally's and social events.*

Note: Members are required to attend 3 meetings/events before eligible for Special Vehicle Registration and must repeat yearly to continue to qualify.

Hi Members

Thanks to all members who attended the AGM and voted in some new blood to the committee. Congratulations to Caitlin Fullerton who is now our Vice President and to Bob Aller who is the Events Co-ordinator. We have had our first committee meeting and are looking forward to a successful year.

Congratulations to Paula and John for winning the Glem Machine award for the past year. The Mustang covers a lot of miles and always is immaculate.

Most people who want an American pickup would be happy to get a half ton, three quarter ton or one ton unit. Not big enough for Eddy Mazur who has recently restored this 1944 GMC CCKW 2 ½ ton 6-wheel drive unit. Just the shot for a trip to the local drive-thru. Well, done Eddie, Richard and all those involved in the resto. Pic is from Fast Fit Facebook page.

We have organised to have the Christmas Party to follow the November meeting on 28/11 at the Grafton Hotel, Edmonton. We have not organised any events for November but if you want to go for a drive the Fat Boys have a poker run on November 20th leaving their club house at 41/193 Hartley St at 12.30pm. Also remember that if you are on SIV rego you can utilise the Impromptu Run at any time.

Following our meeting next Sunday October 31st, we have organised a lunch run to the Speewah Tavern and hope that you will all attend.

Membership renewals are now due and can be paid by depositing your \$45-00 to our account 484-799 034053753 at Suncorp with your name as a reference

See you at the meeting October 31st. Bruce.

Giggling Gertie's Gut Busters!

Milo and Stosh are standing on the 18th tee at their Irish Country Club. They are the final twosome in the Irish Country Club Championship and are tied for the lead. The 18th hole is a beautiful par four with a deep valley, descending down to a dogleg right.

Both Milo and Stosh hit long, straight tee shots which disappear down into the valley. A short time later, the fore caddie appears at the top of the hill and announces that both balls are within 6 inches of each other, but there's a problem. Both of the golf balls are Titleist # 4s.

Milo and Stosh look at each other and realize that they had not informed each other as to what kind of ball they were playing, nor its number. They quickly descend into the valley and, sure enough, their two Titleist golf balls are right next to each at the bottom of the valley in the middle of the fairway.

Stosh looks at Milo and says, "We had better get a ruling from a tournament official to straighten this out. This is the Irish Country Club Championships and we don't want to be disqualified for making a mistake and hitting the wrong ball. After all, we are tied for the lead."

Soon after, a rules official appears and examines the two # 4 Titleist golf balls. He then looks up at Milo and Stosh and says, "Which one of you is playing the orange ball?"

The local news station was interviewing an 80- year-old lady because she had just gotten married for the fourth time.

The interviewer asked her questions about her life. about what it felt like to be marrying again at 80, and then about her new husband's occupation..." he's a funeral director, " she answered. "Interesting," the newsman thought...He then asked if she wouldn't mind telling him a little about her fist three husbands and what they did for a living.

She paused for a few moments, needing time to reflect on all those years. After a short time, a smile came to her face and she answered proudly, explaining that she had first married a banker when she was in her 20's, then a circus ringmaster when in her 40's, and a preacher when in her 60's, and now- a funeral director.

The interviewer looked at her, quite astonished, and asked why she had married four men with such a diverse careers.

(Wait for it....)

-She smiled and explained, "I married one for the money, two for the show, three to get ready, and four to go."

Hava lovely evening!!

A guy comes home completely drunk one night, he lurches through the door and is met by his scowling wife, who is most definitely not happy.

Where the hell have you been all night? She demands. 'At this fantastic new bar,' he says. 'The Golden Saloon, everything there is golden. It's got huge golden doors, a golden floor, the works – hell, even the urinal's gold!'

The wife still doesn't believe his story, and the next day checks the phone book, finding a place across town called the Golden Saloon. She calls up the place to check her husband's story.

Is this the Golden Saloon?' she asks when the bartender answers the phone.

Yes, it is,' bartender answers.

Do you have huge golden doors?

Sure do.' 'Do you have golden floors?

Most certainly do.

What about golden urinals?

There's a long pause, then the woman hears the bartender yelling,

Hey, Duke, I think I got a lead on the guy that peed in your saxophone last night!'

My wife and I went to the Royal Agricultural Show and one of the first exhibits we stopped at was the breeding bulls. We went up to the first pen and there was, a sign attached that said.... ' THIS BULL MATED 50 TIMES LAST YEAR '

My wife playfully nudged me in the ribs Smiled and said,

He mated 50 times last year, that's almost once a week.' We walked to the second pen which had a sign attached that said, "THIS BULL MATED 150 TIMES LAST YEAR'

My wife gave me a healthy jab and said, 'WOW~~That's almost 3 times a week!You could learn a lot from him.'

We walked to the third pen and it had a sign attached that said, In capital letters,

'THIS BULL MATED 365 TIMES LAST YEAR'

My wife was so excited that her elbow nearly broke my ribs, and said, 'That's once a day ...You could REALLY learn something from this one.'

I looked at her and said, 'Go over and ask him if it was with the same cow...'. My condition has been upgraded from critical to stable and I should eventually make a full recovery.

Went for a walk with my new girlfriend and we saw dogs mating.

She said, "How does the male know when the female is ready for sex?"

I replied, "He can smell she is ready. That's how nature works."

We then walked past a sheep field and the ram was mating the ewe.

Again, my girlfriend asked, "How does the ram know when the ewe is ready for sex?"

I replied, "It's nature. He can smell she is ready."

We then went past a cow-field and the bull was mating with the cow.

My girlfriend said, "This is odd. They are really going at it. Surely the bull can't smell when she is ready?"

I said: "Oh yes, it's nature. All animals can smell when the female is ready for sex."

After the walk I dropped her home and kissed her goodbye.

She said, "Take care and get yourself checked out for Covid-19."

Surprised, I asked, "Why do you say that?"

She replied, "You seem to have lost your sense of smell."
