

PEERAMON PUB RUN – DECEMBER 2010

The year is coming to close much quicker than some thought and this was one of final runs for the year. Last Sunday the club enjoyed a cruise up to Peeramon Pub. This is an historic old hotel that has been around for many years and I suspect the walls would have a story or two to tell, if only they could talk. I have had the privilege to visit this pub a number of occasions and have always enjoyed the cold beer and the food.

The pub even survived Cyclone Larry.....just, and with some additional funds, has since made some new additions.

Some members had spent the previous night at Atherton, whilst others made their way to the old hotel. A few of us met at Gordonvale under a cloud covered sky. We departed for our journey up the range, the Gillies that is. Some like the range, some don't, personally I like to drive the range in my Trans Am, but not too keen in my daily driver.

We had an nice and uneventful cruise up the hill, and as we continued, it was very noticeably becoming cooler with that fresh crisp smell in the air.

Once there, I could already sense that this was going to be an enjoyable lunch. Again, we had a good turn up of members, some I had not seen in quite a while. With the greetings all done, it was time to order a coldy an some food.

After lunch, we continued to chat and have a few more drinks before deciding on what the rest of the day may bring.

Some of the group decided to go looking for lychees, some were after mangoes, another pair went on to Tarzali's, and some simply cruised on home.

All in all, a very pleasant day, with great company, great food and a nice relaxing atmosphere and of course a nice cruise.

Hope to see you all at the Christmas Lights cruise on Friday.
