Hi Members,

We just got the 2021 Swap Meet Car Bike & Truck Show in with the close down starting at 4pm on the Sunday. Thanks to all that contributed in any way on the Saturday and Sunday. Swap sites and people through the gate were both down but the car show entries and vehicles on display were on a par with previous years. Congratulations to members Lance Knowles who won best convertible and Dave Curtis for best hot rod. A strange anomaly appeared in the car show results and was pointed out by some Facebook users, 14 of the 22 trophy winners were Fords, 3 were Dodges, 1 Holden, 1 Chev, 1 Hubmobile and a VW. A bad year for the general.

Members who attended the Kurrimine event had a great time, the hosts at the new venue handled it well and the weather was excellent. The old publican Dave led a poker run on the Saturday morning out to Wangan, Garradunga, Cowley Beach then back to Kurrimine. The Saturday night party went off well with Jessie winning the heads and tails game with a prize pot of over \$80-00, Arron won the tight arse game. Jessie also won Best dressed Male. John and Paula picked up another trophy for the Mustang and caravan and Phil McIlwain got a trophy for hosts choice. Great to see Daniel and Taylor and family in their 64 Malibu.

There are still some events coming up with the TOTS 30th birthday celebration weekend still to happen after being postponed because of the lockdown. The Tablelands Car & Bike Show is on next Saturday Aug 28th from 9am-2pm at the Malanda showgrounds. The Atherton Men's Shed have a Cruise-in on 3rd September.

Condolences to Bob Aller and family on the passing of Shirley. It was lovely to see Shirley and Bob attend the July 4th run to Garradunga.

Do not forget that the September meeting will be our AGM when all committee positions become vacant and you will have the opportunity to contribute to the running of the club by nominating for a position.

See you at the Meeting August 29th Bruce.

Giggling Gertie's Gut Busters!

After a delicious dinner and a few drinks, the wife leads husband into the bedroom.

With a very seductive voice the woman asked her husband, "Have you ever seen twenty dollars all crumpled up?"

"No" replied her husband.

She gave him a sexy little smile, unbuttoned the top three buttons of her blouse, slowly reached down into the cleavage created by a soft, silky push-up bra and pulled out a crumpled twenty dollar bill. He took the crumpled bill from her and smiled approvingly.

She then asked him, "Have you ever seen Fifty Dollars all crumpled up?"

"Uh . . . no, I haven't," he said, with an anxious tone in his voice. She gave him another sexy little smile, pulled up her skirt, and seductively reached into her tight, sheer panties and pulled out a crumpled fifty dollar bill.

He took the crumpled fifty dollar bill, and started breathing a little quicker with anticipation.

"Now," she said, "have you ever seen \$50,000 dollars all crumpled up?"

"No way!" he said, while obviously becoming even more aroused and excited.

She whispered, "Go look in the garage."

I met a homeless man this morning and asked him how he ended up this way.

He said, "Up until last week, I still had it all. I had plenty to eat, my clothes were washed and pressed, I had a roof over my head, I had HDTV and Internet, and I went to the gym, the pool, and the library. I was working on my MBA on-line. I had no bills and no debt. I even had full medical benefits coverage".

I felt sorry for him, so I asked, "What happened? Drugs? Alcohol? Divorce?"

Oh no, nothing like that," he said. "No, no... I was unexpectedly paroled!

Now you know why so many re-offend!

LARRY MAY BECOME MY NEW FAVOURITE!!!!

A new teacher was trying to make use of her psychology courses. She started her class by saying, 'Everyone who thinks they're stupid, stand up!' After a few seconds, Little Larry stood up. The teacher said, 'Do you think you're stupid, Larry?' 'No, ma'am, but I hate to see you standing there all by yourself!'

Larry watched, fascinated, as his mother smoothed cold cream on her face. 'Why do you do that, mummy?' he asked. 'To make myself beautiful,' said his mother, who then began removing the cream with a tissue. 'What's the matter, asked Larry 'Giving up?'

The math teacher saw that Larry wasn't paying attention in class. She called on him and said, 'Larry! What are 2 and 7 and 9 and 3?' Larry quickly replied, 'ABC, PRIME, WIN and SBS!'

Larry's kindergarten class was on a field trip to their local police station where they saw pictures tacked to a bulletin board of the 10 most wanted criminals. One of the youngsters pointed to a picture and asked if it really was the photo of a wanted person. 'Yes,' said the policeman. 'The detectives want very badly to capture him.' Larry asked, "Why didn't you keep him when you took his picture? "

Little Larry attended a horse auction with his father. He watched as his father moved from horse to horse, running his hands up and down the horse's legs and rump, and chest. After a few minutes, Larry asked, 'Dad, why are you doing that?' His father replied, 'Because when I'm buying horses, I have to make sure that they are healthy and in good shape before I buy. Larry, looking worried, said, 'Dad, I think the meter guy wants to buy Mum '

Truckie & A Emu

An Aussie truckie walks into an outback cafe' with a full-grown emu behind him. The waitress asks them for their orders.

The truckie says, 'A hamburger, chips and a coke,' and turns to the emu, 'What's yours?' 'Sounds great, I'll have the same,' says the emu.

A short time later the waitress returns with the order 'That will be \$9.40 please,' and he reaches into his pocket and pulls out the exact change and pays.

The next day, the man and the emu come again and he says, 'A hamburger, chips and a coke.'

The emu says, ' Sounds great, I'll have the same.'

Again the truckie reaches into his pocket and pays with exact change.

This becomes routine until the two enter again. 'The usual?' asks the waitress. 'No, it's Friday night, so I'll have a steak, baked potato and a salad,' says the man. ' Same for me,' says the emu.

Shortly the waitress brings the order and says, 'That will be \$32.62.'

Once again, the man pulls the exact change out of his pocket and places it on the table.

The waitress cannot hold back her curiosity any longer. 'Excuse me mate, how do you manage to always pull the exact change from your pocket every time?' 'Well, love' says the truckie, 'a few years ago, I was cleaning out the back shed, and found an old lamp. When I cleaned it, a Genie appeared and offered me two wishes.'

My first wish was that if I ever had to pay for anything, I would just put my hand in my pocket and the right amount of money would always be there.' 'That's brilliant!' says the waitress. 'Most people would ask for a million dollars or something, but you'll always be as rich as you want, for as long as you live!'

'That's right. Whether it's a gallon of milk or a Rolls Royce, the exact money is always there.' says the man.

Still curious the waitress asks, 'What's with the emu?'

The truckie pauses, sighs, and answers, 'My second wish was for a tall bird with a big behind and long legs, who agrees with everything I say.'
