Objects of the Club

To promote ownership and appreciation of American motor vehicles.

To promote and provide owners and admirers with car shows, car rallies and social events.

Note: Members are required to attend 3 meetings/events before eligible for Special Vehicle Registration and must repeat yearly to continue to qualify.

Hi Members,

There has been plenty of activity on the car club scene over the past month with plenty more coming up in the next few months.

Most things are ready for the swap meet and hopefully all the clubs involved are ready to go. Do we want to show our cars in a club display similar to what TOTS do. This means that when you go to park seek out the area assigned to the club. Please make an effort to attend with your vehicle and also make yourself available to assist on the day. We will definitely need members to assist with judging and marshalling.

Thank you to those that turned out for our July 4th cruise. Although numbers were very disappointing, it was a great night for a meet up and a quick cruise.

After another disappointing attendance at the Annual Car Clubs Sports Day, it just might be the last one that is held. Thank you to the members who made the effort to attend the free club breakfast that was put on, and we just had enough members to be able to have the club meeting. Unfortunately, no games were played, but there were some good rocket cover races going on and a TOTS had a good choice of burgers for lunch.

Our next meeting is on Sunday 27th July.

Remember don't live your life a ¼ mile at a time just cruise.

Quick reminder to check your studs on your wheels.

James
