Hi Members

There are plenty of events coming up to get involved in. The weekend of our meeting there is the Bent Rods Show "N' Shine at Ingham on the 28th, the following weekend we have the display at the Family Fun day at Caravonica Waters from 10 till 2. And the Northern Motoring Club has a run on the tablelands which we have been invited to attend. The following Saturday there is the Care for Ciara charity event at the showgrounds and also the Charters Towers Swap and Car Show. Kurrimine Beach Hop which is shaping up to be a top event is on the weekend of 16th and 17th and on the same weekend is the Swap and Car Show at Atherton.

Arrangements are well in place for this year's Cairns Swap Meet Car Bike & Truck Show on 12th August which I hope you will all attend and bring your cars. We will again outsource running of the gate but will still require members to assist with the set up on the Saturday, judging the car show, marshalling vehicles as well as the many other things needed to be done on the day. We are pleased to welcome Jason Entsch and Tuff Muff Exhausts as new sponsors www.tuffmuff.com.au. We also welcome Grant Wickham who many of you will know from the FNQ Performance Ford Club and his business All Calibration Services as new sponsors.

Good to see the General Lee finally on the road with all the issues sorted out, it and the Bandit made a good pic at the last meeting.

Next month's meeting will be the annual sports day with the other clubs. It will be a breakfast first followed by the meeting and then the sports events. If you have not participated before make the effort this time, we will be required to organise one event. Let us know if you have any ideas on a novelty sports event.

Safe cruising and see you at the meeting on Sunday 27th May.

Happy 50th anniversary!

"I will never forget, the first day we met.
I starred in awe without a regret.

You were long and red with a white rag top,
And something under the bonnet, that would be hard to stop.

You had pearl vinyl seats, and a four on the floor,
When I stepped on the peddle, you would start to roar.

The gauge said 160, man could you go,
There was nothing faster than my GTO.

I cruise down the streets, with the top down,
Turning every head, in our northern town.

The luckiest men that you'll ever know,
Are the ones that own a GTO".

Celebrating 21 Years of this unique show

NO ENTRY FEE | A VERY RELAXED CASUAL WEEKEND

Giggling Gertie's Gut Busters!

HOW TO START A FIGHT

*One year, I decided to buy my mother-in-law a cemetery plot as a Christmas gift.
The next year, I didn't buy her a gift.
When she asked me why, I replied, "Well, you still haven't used the gift I bought you last year!"*

And that's how the fight started...

*My wife and I were watching Who Wants To Be A Millionaire while we were in bed.
I turned to her and said, 'Do you want to have Sex?'
'No,' she answered. I then said,
'Is that your final answer?'
She didn't even look at me this time, simply saying, 'Yes.'
So I said, "Then I'd like to phone a friend."*

And that's when the fight started...

*My wife and I were sitting at a table at her school reunion, and she kept staring at a drunken man swigging his drink as he sat alone at a nearby table.
I asked her, "Do you know him?"
"Yes", she sighed, "He's my old boyfriend.
I understand he took to drinking right after we split up those many years ago, and I hear he hasn't been sober since."
"My God!" I said, "Who would think a person could go on celebrating that long?"*

And then the fight started...

*My wife sat down next to me as I was flipping channels.
She asked, "What's on TV?"
I said, "Dust."*

And then the fight started...

*My wife was hinting about what she wanted for our upcoming anniversary.
She said, "I want something shiny that goes from 0 to 150 in about 3 seconds.
I bought her a bathroom scale.*

And then the fight started...

*After retiring, I went to the Social Security office to apply for Social Security. The woman behind the counter asked me for my driver's Licence to verify my age.
I looked in my pockets and realised I had left my wallet at home. I told the woman that I was very sorry, but I would have to go home and come back later.
The woman said, 'Unbutton your shirt'. So I opened my shirt revealing my curly silver hair.
She said, "That silver hair on your chest is proof enough for me" and she processed my Social Security application.
When I got home, I excitedly told my wife about my experience at the Social Security office. She said, 'You should have dropped your pants. You might have gotten disability too.'*

And then the fight started...
