Objects of the Club

To promote ownership and appreciation of American motor vehicles.

To promote and provide owners and admirers with car shows, car rallies and social events.

Note: Members are required to attend 3 meetings/events before eligible for Special Vehicle Registration and must repeat yearly to continue to qualify.

Hello Members, Appologies that a newsletter was not sent out last month but we did put a newsletter online. Thank you to those who helped with the Car Show and those that did come along and supported our Mothers Day car show at DFO.

Please take note that the Smokey Blue Rally is now being held on Saturday 21st of June. As a club I think we should get behind this great cause, especially that it is on in Cairns this year & not the Tablelands. Like the Swap Meet a lot of hard work goes into making these events happen so Please make sure to get registered before June 19 to be apart of this fantastic day and to support a long time car club family to raise awareness and money for a great cause.

Arrangements are in place for this year's sports day which will be held on June 29th. It is being organised by winners from last year which was TOTS Club and will be held at the TOTS club house at Meerawa. Our members will be treated to a cooked breakfast before our meeting. You can either bring your own lunch or purchase something from TOTS who will have a BBQ on the day. As usual events will be organised by the participating clubs.

The organising of this year's Cairns Swap Meet is well on the way. We are just finalizing our sponsors so we can have our Posters & Flyers printed to start distributing for our event on the 10th August, and we will be looking for members to assist with helping setup on the Saturday and on Sunday marshalling from 6am and with judging from 9am.

A couple of my favorite photos from places we went to on our trip.

See you all at the meeting on Sunday

Remember don't live your life a ¼ mile at a time just cruise.

James
